

1. How do I purchase shares if I am not an existing registered holder?

To make an investment online, log on to www.amstock.com. Under the "Shareholder Services" tab, click "Invest Online" and then select "All Plans" from the left toolbar. Select "W" for Woodward and page down until you reach "Woodward, Inc." Click on the "Buy" button and follow the enrollment wizard, which will guide you through the simple six-step investment process. You will be prompted to provide your banking account number and ABA routing number to allow for the direct debit of funds from your savings or checking account. You will receive an e-mail confirming receipt of your transaction as soon as you complete the investment process, as well as a subsequent e-mail confirming the number of shares purchased and their price (generally within two business days).

To invest by mail, simply fill out an Enrollment Application, which can be obtained by calling the Plan Administrator at 1-877-253-6843 (toll free), and enclose a check made payable to American Stock Transfer & Trust Company, LLC for the value of your investment. The Enrollment Application may also be downloaded from the Plan Administrator's internet site (www.amstock.com) and mailed to AST.

The minimum initial investment is \$250.00. The maximum investment is \$10,000.00 per transaction. Once you are a shareholder, the minimum purchase amount is reduced to \$25.00.

There is a transaction fee of \$2.50 per purchase of Woodward, Inc. stock and a per-share commission of \$.10.

Your cash payment, less applicable service charges and commissions, will be used to purchase shares on the open market for your account. Both full and fractional shares up to three decimal places (if applicable) will be credited to your Plan account. The Plan Administrator will commingle net dividend funds (if applicable) with cash payments from all participants to purchase shares in the open market. Purchase orders will be submitted daily. The Plan Administrator may, at its discretion, submit purchase orders less frequently (but no later than five trading days after receipt) if the total amount to be invested is not sufficient. No interest will be paid by the Plan Administrator pending investment. Instructions sent to the Plan Administrator may not be rescinded.

You may also authorize the Plan Administrator, on the enrollment application or the Plan Administrator's website, to make monthly purchases of a specified dollar amount, paid for by automatic withdrawal from your bank account. Funds will be withdrawn from your bank account, via electronic funds transfer (EFT), on the 10th day of each month (or the next following day if the 10th is not a business day). To terminate monthly purchases by

automatic withdrawal, you must send the Plan Administrator written, signed instructions. It is your responsibility to notify the Plan Administrator if your direct debit information changes.

If a check or ACH withdrawal is returned to the Plan Administrator as "unpaid," the Plan Administrator will resell shares if already purchased and liquidate additional shares, if necessary, to reimburse itself for any loss incurred, as well as a returned check fee of \$25.00. This is in addition to any other rights the Plan Administrator may have.

2. How do I purchase additional shares if I am already a registered shareholder?

You can purchase additional shares at any time by making optional cash payments. All of the terms outlined in section 1 above apply, except that the initial minimum investment is only \$25.00.

To make an investment online, log on to www.amstock.com. Under the "Shareholder Services" tab, click "Account Access and General Information". Select "Account Access". You will be prompted to enter your ten digit account number (provided to you on your account statement) and your social security number (or PIN number, if you do not have a social security number). From the left toolbar, select "Purchase Additional Shares." You may then complete your optional cash investment in two simple steps.

Optional cash payments may also be mailed to the Plan Administrator with the **tear-off portion** of your account statement (sent in conjunction with each scheduled dividend) or purchase transaction advice, or via detailed written instructions.

You may also authorize the Plan Administrator, on an enrollment application or the Plan Administrator's website, to make monthly purchases of a specified dollar amount, paid for by automatic withdrawal from your bank account. Funds will be withdrawn from your bank account, via electronic funds transfer (EFT), on the 10th day of each month (or the next following day if the 10th is not a business day). To terminate monthly purchases by automatic withdrawal, you must send the Plan Administrator written, signed instructions. It is your responsibility to notify the Plan Administrator if your direct debit information changes.

3. How do I enroll to have my dividends reinvested?

The dividends on all shares held by the Plan Administrator will automatically be reinvested, unless you select the Cash Payments Only option on the Application Form or direct the Plan Administrator that you wish to receive cash payments only (which instructions can always be changed by providing notice to the Plan Administrator).

If you have shares other than those held in the Plan (either certificated or book entry), you may enroll to have your cash dividends applied toward the purchase of additional shares. You may enroll to have your dividends reinvested by accessing the Plan Administrator's website, at www.amstock.com. Under the "Shareholder Services" tab, select "Account Access and General Information." Select "Account Access". You will be prompted to enter your ten digit account number (provided to you on your account statement) and your social security number (or PIN number, if you do not have a social security number). From the left toolbar, select "Enroll in Dividend Reinvestment." You may also enroll to have your dividends reinvested by completing the Dividend Reinvestment stub attached to your dividend check, or by sending a letter of instruction to the Plan Administrator.

You may reinvest your entire dividend or a portion thereof. Please be advised that partial enrollments are not currently accepted on the website, and must be submitted to the Plan Administrator in writing. Funds designated for reinvestment will be applied to the purchase of shares on the open market. Purchases will be made beginning on the dividend payment date.

The fee for dividend reinvestment is 2% of the dividend amount to a maximum of \$2.50, and a \$.10 per share purchase commission.

4. Must I reinvest dividends?

No. Dividend Reinvestment is an option offered under the Plan. When you enroll in the Plan by filling out the Enrollment Application, you may indicate whether you want the dividends on your shares reinvested.

If you do not indicate a preference, however, all dividends on your Plan shares will be reinvested.

If you choose to receive cash dividends on all your shares, your cash dividend can be deposited directly to your bank account. If you are interested in this option, contact the Plan Administrator and request forms for Direct Deposit of Dividends. Alternatively, you may enroll to receive your dividends via direct deposit by accessing the Plan Administrator's website at www.amstock.com. Under the "Shareholder Services" tab, click "Account Access and General Information." Select "Account Access". You will be prompted to enter your ten digit account number (provided to you on your account statement) and your social security number (or PIN number, if you do not have a social security number). From the left toolbar, select "Receive Dividends via Direct Deposit." If you elect to receive cash dividends, and do not enroll in the direct deposit option, your dividend payments will be sent, by check, to the address of record on the account.

5. What is the price I will pay for shares?

The Plan Administrator will buy your shares in the open market and your share price will be the average price of all shares purchased for that investment. The share price is

the same for all participants in a given investment (i.e., initial investors, current investors sending optional cash payments, or participants reinvesting their dividends). The purchase price will not be known until the purchase is completed. Participants should be aware that the price may fluctuate during the period between submission of a purchase request, its receipt by the Plan Administrator, and the ultimate purchase on the open market.

6. How do I keep track of the transactions in my account?

The Plan Administrator will mail Plan statements after each dividend. In addition, an advice will be mailed to you after each purchase, which advice will include the number of shares purchased and the purchase price.

You may also view your transaction history online by logging into your account. Details available online include share price, commission paid, and transaction type and date.

7. What is safekeeping of certificates and how do I submit my certificates?

If you own shares of Woodward, Inc. common Stock in stock certificate form, you may elect to deposit the shares represented by those stock certificates into your Plan account for safekeeping with the Plan Administrator. The Plan Administrator will credit these shares to your Plan account. You may later request issuance of a certificate from the Plan Administrator at any time.

To deposit shares with the Plan Administrator, send your stock certificates along with a check for \$7.50 payable to American Stock Transfer & Trust Company. We recommend that you send your certificates via registered mail and insure for 2% of the total value of the shares to protect against loss in transit.

The \$7.50 fee will be waived if you elect to deposit your shares and, at the same time, sell them through the Plan.

8. How do I withdraw shares held in my Plan account?

You may request that the Plan Administrator issue a certificate for some or all of the shares held in your Plan account by doing any of the following:

- Access the Plan Administrator's website at www.amstock.com. Under the "Shareholder Services" tab, click "Account Access and General Information." Select "Account Access". You will be prompted to enter your ten digit account number (provided to you on your account statement) and your social security number (or PIN number, if you do not have a social security number). From the left toolbar, select "Request a Certificate for D/R Shares."
- Call the toll-free telephone number supplied in this booklet to access the Administrator's automated telephone system.
- Complete and sign the **tear-off portion** of your account statement or purchase confirmation and mail the instructions to the Plan Administrator.

The Plan Administrator will issue a certificate in the exact registration shown on your Plan statement. Certificates will be sent by first class mail, generally within a few days

of receiving your request. There is no charge for this service.

9. How do I transfer shares to another person?

Transfers may be made in book-entry form, or a certificate may be issued and sent to the new owner. You can transfer to a person who already has a Plan account, or you can set up a new Plan account if the person does not have one.

To perform the transfer, send a written letter of instruction to the Plan Administrator setting forth the full registration name and address of the new participant, as well as the social security number of the new participant. The letter should indicate the number of shares (full and fractional if any) which should be transferred to the new participant. All individuals listed in the account registration must sign the instructions. **The signatures must be guaranteed by a bank, broker or financial institution that is a member of a Medallion Signature Guarantee Program.**

10. How do I sell shares held in my account?

You may instruct the Plan Administrator to sell shares held in your Plan account by doing any of the following:

- Access the Plan Administrator's website at www.amstock.com. Under the "Shareholder Services" tab, click "Account Access and General Information." Select "Account Access". You will be prompted to enter your ten digit account number (provided to you on your account statement) and your social security number (or PIN number, if you do not have a social security number). From the left toolbar, select "Sell Plan and Book Shares."
- Call the toll-free telephone number supplied in this booklet to access the Administrator's automated telephone system.
- Complete and sign the **tear-off portion** of your account statement or purchase confirmation and mail the instructions to the Plan Administrator.

If there is more than one individual owner on the Plan account, all participants must authorize the transaction and sign the instruction.

As with purchases, the Plan Administrator aggregates all requests to sell shares and then sells the total share amount on the open market through a broker. Sales will be made daily. The Plan Administrator may, at its discretion, sell shares less frequently (but no later than five trading days after receipt) if the total number of shares to be sold is not sufficient.

The selling price will not be known until the sale is completed. Participants should be aware that the price may fluctuate during the period between a request for sale, its receipt by the Plan Administrator, and the ultimate sale on the open market. Instructions sent to the Plan Administrator may not be rescinded.

The proceeds of the sale, less an administrative fee of \$15.00 and commission of \$.10 per share, will be sent to

you by check along with a Form 1099-B for income tax purposes (generally within four days following the sale).

11. How do I close my account?

You may terminate Plan participation by directing the Plan Administrator to sell all of the shares in your account. You may submit a signed written instruction to the Plan Administrator, complete the **tear-off stub** from your account statement or other Administrator-provided document, or you may utilize the Plan Administrator's website. Follow the sales procedure outlined in #10 above, making certain to elect the sale of all Plan shares.

Alternatively, you may elect to receive a certificate for the full shares held in your Plan account and to sell any fractional share remaining. In such case, you will receive a check for the net proceeds of the fractional share, less the sale service fees outlined in #10 above. If the proceeds from the sale of the fractional share are insufficient to cover the processing fees, a check will not be issued nor will you be billed for any additional fees.

You must specifically inform the Plan Administrator that you wish to terminate participation (which option is listed separately on the **tear-off stub** attached to Plan communications). If you fail to do so, future dividends on non-Plan shares will continue to be reinvested in accordance with your pre-termination instructions, until you direct the Plan Administrator otherwise.
